

Match Me If You Can

Virtual or in-person *Match Me If You Can* is an exciting game show modeled after the highly ranked Match Game show from 1973-1979 (#4 on TV Guide's list of the 60 greatest game shows ever). Participants gather in teams and attempt to match the answers of 3 pre-selected or randomly selected contestants in the iconic game of fill-in-the-blank.

Our version accommodates groups large and small. Teams hear a phrase with a missing word - a "blank" - and attempt to match their answer to the answer chosen by select contestants! Phrases like "Crazy Curly was so crazy, he put _____ on his pancakes".

Live and in-person, or using a virtual platform like Zoom, teammates get together to come up with answers that hopefully match the "blank" answers given by the 3 designated contestants. The phrases or questions are designed to elicit a humorous response; we can even create custom phrases that "match" your participants, company, or industry.

This game show is competitive, yet designed for each team member to learn about, work, and collaborate with their colleagues to the point of laughter.

Match Me If You Can is flexible to your group's size and can be modified to fit your time frame and other variables.
