

Mini-Golf Food Donation

In this fun, challenging, team-building event each team will be designing and building a golf hole, playing a round of golf, competing for gold medals, and donating canned and boxed goods to a local charity or food bank. Wow!

After a fun icebreaker, your group will be formed into teams. Each team will elect a leader. Teams will be supplied with a large green putting mat, canned and boxed goods, cardboard, tubes, duct tape, and other materials to build and decorate a unique, themed golf hole of their design.

After all the teams have completed their build, each team will have a chance to explain the theme of their golf hole to the entire group. Then, let's play golf!

Before the start of the Championship Golf event, teams will decide which teammates will become players, judges, and supporters during this fun, fast-paced golf competition.

After completion of all the holes on the course, the scores will be totaled, and each member of the winning team will receive a gold medal!

After the awards ceremony, all the canned and boxed goods used in the build will be repacked and donated to a local charity or food bank for distribution to individuals and families in need.

Whenever possible, a representative from the charitable organization receiving the food will join the program and thank the group for their generous donation.

Help in the fight against hunger; improve your design skills – and your golf swing – in this fun, heartwarming, charitable team-building event.

Since you like this program, you may also consider [Virtual Best Collegiate Feud](#) as a remote option!

Program Details

Group Size:

30 to 1,000+

Team Size:

10
