

Team Olympics

This set of fun and engaging team building games combines high-energy competition with basic athletic ability, allowing for full and active participation for your whole group. This program is flexible to be held indoors and outdoors.

After a group warm-up, teams will be formed and assigned a color for easy identification. Next, your group's designated VIP will take the opening lap around the playing field, and the games begin.

With high-energy music to set the atmosphere, teams will compete in a selection of activities like *Ski Team Challenge*, *Sack Races*, *Target Practice*, *Team Anthem*, and more in an attempt to win the coveted gold, silver or bronze medals. Every teammate from the three winning teams will be awarded a medal!

Team Olympics can be held indoors or outside and can incorporate the unique amenities available on your campus such as a pool, putting green, sports field, driving range, tennis, or volleyball court. It can also be presented as Cowboy Games, Winter Games, or a Beach-Themed Event.

Depending upon your event location, we can add additional activities, including tug-of-war, hoops, catapults, corn hole, and even giant Jenga!

Our philosophy of "Challenge by Choice" offers individuals the ability to determine their own level of physical participation without missing out on any of the fun. Team Olympics is an excellent way to generate team spirit while competing for the opportunity to stand on the winner's podium.

To ensure a great experience, the activities chosen for Collegiate Team Olympics will vary depending upon your location, space, group size, group makeup, goals, and allotted time.

Since you like this program, you may also consider [Virtual Price it Right](#) as a remote option!
