

The Collegiate Canvas

In The **Collegiate Canvas** program, every person in your group will have an opportunity to paint and sign a section of a large colorful collegiate mural.

These paintings will be an artistic representation of your college or university culture. We incorporate your school's logo and the words Innovation, Passion, Integrity, Leadership, Quality, Teamwork, Diversity, and Success into each design.

Each mural is conveniently presented for painting as eight separately framed 2-foot by 2-foot canvases that together form each large, colorful 8-foot by 4-foot mural painting.

We will customize the piece with your collegiate logo and pre-print a light grey border around the entire 8-foot x 4-foot painting so each one of the painters (participants) can sign their name with a Sharpie® after they've finished painting their section.

The Collegiate Canvas program includes icebreakers, one or more collegiate canvases (depending upon the size of your group), and a fun, creative project involving lots of markers and imagination.

We've designed four versions of The Collegiate Canvas for your college or university to choose from, produced as paint-by-number canvases, and including your collegiate logo. You can also choose to paint two or more canvases depending upon your group size or the number of campus buildings where you want a mural hung.

The Collegiate Canvas can be delivered as a standalone team building program or as an add-on to a conference, party, or meeting where hundreds of people can come up during the event, paint for a few minutes, and sign their name to the masterpiece!

Since you like this program, you may also consider [Virtual Meetings Tune-Up](#) as a remote option!
