

Virtual Interactive Magic Show!

Bring your group or class together with a virtual and interactive magic show! Your host is Anton, the only person in history to be recognized as the Official Magician of the city he was born in, Salem, Massachusetts. He brings his 20+ years of experience with astonishing audiences directly to your group.

Everyone will be amazed through the computer screen as they participate in the impossible remotely. This program is NOT a pre-recording; it is LIVE entertainment where the audience's choices directly affect the outcome of the show! Participants will get to choose playing cards, colors, numbers, and more as the impossible happens.

Demonstrations of mind-reading, chosen objects appearing in impossible locations, and experiences where the whole group participates, will all happen virtually on each participants' screen. You might even get to learn a trick or two that you can use to amaze your friends and family.

This experience is professionally produced and can serve as a great way to enhance any virtual meeting. Imagine having a long day of sitting at the computer suddenly energized with a one-of-a-kind live entertainment session, or experiencing the magic as a stand-alone special event as a way to bring fun and excitement to your group. We can also use the opportunity to highlight any member of your group, your group's accomplishments, or any other special announcements.

So contact us today to bring mind-blowing entertainment to you, "Live!" right through your screen!
