

Virtual Magic of Salem

Looking for an exciting and unique way to bring people together for your next virtual event? Then we invite your group to experience the Magic of Salem Massachusetts!

In this live, interactive show you will participate in spooky magic and relive ghostly stories from Salem's historic haunted past.

Some notable moments of Salem's history include the Salem Witch Trials of 1692, the first public demonstration of the telephone, performances by Harry Houdini, and being the main port of commerce in America during the country's development. Stories such as these are brought to life by interactive magical entertainment.

Your host Anton James Andresen is the only person in history to be recognized as the Official Magician of Salem Massachusetts. He brings his 20+ years of experience with astonishing audiences directly to your group for this special one-of-a-kind performance.

In this professionally produced event, everyone will be amazed through the computer screen as they participate in the impossible remotely. This is NOT a pre-recording. This is LIVE entertainment where the audience's choices directly affect the outcome of the show!

So contact us today to bring the Magic of Salem direct to your group!
