

## Virtual Trivia Blast!

**Virtual Trivia Blast!** is the perfect entertainment break from your virtual meetings and assemblies. When you combine state of the art apps with our engaging and interactive professional hosts - you get the Trivia Blast. Trivia Blast is a full participant, full engagement, interactive game show. All participants play throughout the game on their apple or android device. With a mix of multiple-choice, first letter, and numerical trivia questions, teams earn points for being correct as well as bonus points for how fast they answer.

Each player downloads the app for our show. Our interactive host will welcome the group, introduce the app, question types, and scoring. Players will choose a name that will appear on the scoreboard and the main screen when they are the fastest team. Players then compete in a mix of trivia rounds to earn as many points as possible. The scoring increases as the rounds continue, so no lead is safe.

In a fun and energetic battle, participants' knowledge of things like history, science, music, pop culture, and more will be tested. As participants attempt to be quickest, we encourage the "excuse exchanges" that are inevitable. This banter between participants builds upon the game show feel and adds to the team camaraderie.

**Virtual Trivia Blast!** is fully customizable; each round can be customized to your college or university or can be themed at your discretion.
